From afar, Cimarron Creek seems like an idyllic town tucked in the Texas Hill Country. But when former schoolteacher Lydia Crawford steps onto its dusty streets in 1880, she finds a town with a deep-seated resentment of Northerners--like her. Lydia won't let that get her down, though. All will be well when she's reunited with her fiancé. But when she discovers he has disappeared--and that he left behind a pregnant wife--Lydia is at a loss about what to do next. The handsome sheriff urges her to trust him, but can she trust anyone in this town where secrets are as prevalent as bluebonnets in spring? Bestselling author Amanda Cabot invites readers back into Texas's storied past to experience love and adventure against a backdrop of tension and mystery in this first book in a brand-new series.

When Lydia arrives in the Texas Hill Country in 1880 to find that her fiancé has married another, what kind of future awaits her?

Catherine Whitfield is sure that she will never again be able to trust anyone in the medical profession after the town doctor's excessive bleeding treatments killed her mother. Despite her loneliness and her broken heart, she carries bravely on as Cimarron Creek's dutiful schoolteacher, resigned to a life without love or family, a life where dreams rarely come true. Austin Goddard is a newcomer to Cimarron Creek. Posing as a rancher, he fled to Texas to protect his daughter from a dangerous criminal. He's managed to keep his past as a surgeon a secret. But when Catherine Whitfield captures his heart, he wonders how long he will be able to keep up the charade. With a deft hand, Amanda Cabot teases out the strands of love, deception, and redemption in this charming tale of dreams deferred and hopes becoming reality.

As far as Thea Michener is concerned, it's time for a change. With her husband murdered and her much-anticipated baby stillborn, there is nothing left for her in Ladreville. Having accepted a position as Cimarron Creek's midwife, she has no intention of remarrying and trying for another child. So when a handsome Texas Ranger appears on her doorstep with an abandoned baby, Thea isn't sure her heart can take it. Ranger Jackson Guthrie isn't concerned only with the baby's welfare. He's been looking for Thea, convinced that her late husband was part of the gang that killed his brother. But it soon becomes clear that the situation is far more complicated than he anticipated--and he'll need Thea's help if he's ever to find the justice he seeks. Amanda Cabot invites readers back to Cimarron Creek for a tender story of loss, betrayal, and love in the majestic Texas Hill Country.

After the loss of her husband and the birth of her baby, Charlotte has had a long, hard year. But when a notorious robber believes she knows the location of a long-lost treasure, she flees to Cheyenne and opens a dressmaker's shop to lie low and make a living. When wealthy cattle baron and political hopeful Barrett Landry enters the shop to visit her best customer, Charlotte feels drawn to him. If Barrett is to be a senator of the soon-to-be state of Wyoming, he must make a sensible match, and Miriam has all the right connections. Yet he can't shake the feeling that Charlotte holds the key to his heart and his future. Soon the past comes to call, and Barrett's plans crumble around him. Will Charlotte and Barrett find the courage to look love in the face? Or will their fears blot out any chance for happiness?

Celia Anderson doesn't need anything for Christmas except a few more boarders, which are hard to come by in this small mining town. She certainly doesn't have a husband on her Christmas wish list. But when a wandering carpenter finds lodging at her boarding house, she admits that she might remarry if

she found the right man--the kind of man who would bring her roses for Christmas. It would take a miracle to get roses during a harsh Wyoming winter. But Christmas, after all, is the time for miracles . . . Amanda Cabot invites readers to cozy up with a romantic, heartwarming tale of the greatest gift of all--love.

This Texas historical romance features a young schoolteacher determined to put the past behind her and look toward a brighter tomorrow.

Ten years after her parents were killed, Evelyn Radcliffe is once more homeless. The orphanage that was her refuge and later her workplace has burned to the ground, and only she and a young orphan girl have escaped. Convinced this must be related to her parents' murders, Evelyn flees with the girl to Mesquite Springs in the Texas Hill Country and finds refuge in the home of Wyatt Clark, a talented horse rancher whose plans don't include a family of his own. At first, Evelyn is a distraction. But when it becomes clear that trouble has followed her to Mesquite Springs, she becomes a full-blown disruption. Can Wyatt keep her safe from the man who wants her dead? And will his own plans become collateral damage? Suspenseful and sweetly romantic, *Out of the Embers* is the first in a new series that invites you to the Texas Hill Country in the 1850s, when the West was wild, the men were noble, and the women were strong.

Though she hopes for a quiet, uncomplicated life for herself, Dorothy Clark wants nothing more than to stir others up. Specifically, she dreams of writing something that will challenge people as much as Harriet Beecher Stowe's *Uncle Tom's Cabin* seems to have. But in 1850s Mesquite Springs, there are few opportunities for writers--until newspaperman Brandon Holloway arrives, that is. Brandon Holloway has seen the disastrous effects of challenging others and has no intention of repeating that mistake. Instead of following his dreams, he's committed to making a new--and completely uncontroversial--start in the Hill Country. As Dorothy's involvement in the fledgling newspaper grows from convenient to essential, the same change seems to be happening in Brandon's heart. But before romance can bloom, Dorothy and Brandon must work together to discover who's determined to divide the town and destroy Brandon's livelihood. With this second novel in the Mesquite Springs series, bestselling author Amanda Cabot invites you to discover the healing power of truth.

Feeling that her dreams of happily ever after have been stolen, Cimarron Creeks schoolteacher resigns herself to a life without love . . . until a rancher with a secret past comes to town.
