**Applied Chemistry II Mrs. Hemedinger** Welcome to Applied Chemistry III! In this course you will examine how food provides the nutrients and energy we need, the chemistry behind the ingredients used in food preparation and how to make smart food choices in your everyday diets.

**Applied Chemistry II - Windsor Central High School**

The Faculty of Chemical Engineering and technology at the University of Zagreb is proposing a modern, contemporary and forward-looking course in Applied Chemistry. The Applied Chemistry course is built upon the strong foundations and traditions of engineering (or applied) chemistry (German Technische Chemie) that have historically been integral to the Faculty's curriculum. The new course combines this tradition with the latest advances in chemical technologies and applications.
