Bringing criminal law to life. Criminal Law Today, Fifth Edition, brings criminal law to life by relating it to real stories from today's headlines. The text's approach is strongly influenced by the belief that the law has always been, and remains, a vital policy-making tool. As a topic for study and discussion, the nature and life of the law is more important today than ever before. The text highlights the challenges that face the law as it continues to adapt to the needs of a complex and rapidly changing society and features a balanced text/casebook approach that provides a lively introduction to criminal law. Effective in-text learning tools give students the resources they need to master the material presented in the text.

Powerfully illustrated, compelling content. Criminology is a user friendly criminology text that teaches students about the exciting field of criminology using the learning skills they already possess. In recognition of the visual orientation of today's learners, we sought to achieve a comprehensive integration of graphic art with the concepts and ideas of criminology. Consequently, Criminology is intensely visual. Its layout and design invite readers to explore its pages, which powerfully illustrate the critical concepts that are central to the field of criminology today. Our intent is to visually attract readers to the subject matter of criminology, making for ease of learning.

Offering concise, self-contained chapters, Juvenile Justice Today, 1e explores the history of juvenile justice, the juvenile justice system, and special populations. Video profiles accompany each chapter and give a dramatic picture of juveniles in the system, along with the police, judges and personnel that work with them. The mycrimekit website supports the text and includes practice quizzes, essay questions and online activities. Throughout the text, real-world examples and research and evaluations summaries help students understand the juvenile justice system, processes and people within it.

For courses in Criminology Brief. Affordable. Visual. Criminology provides an affordable, thought-provoking look at criminology that uses clear writing and eye-catching visuals to get your students straight to the important concepts. By focusing on the core concepts, students will gain true understanding of the material, without becoming overwhelmed with unnecessary information. The book's conversation-starting pedagogy encourages active participation in learning, moving students beyond memorization by engaging them in the latest research findings and current events shaping the field. The Fourth Edition includes updated statistics, an entirely new chapter on victims and victimization, revised Learning Outcomes, and new Putting Criminology to Work boxes which examine evidence-based evaluations of a number of important crime prevention programs. Criminology, Fourth Edition is also available via Revel(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience.

CRIMINAL LAW AND PROCEDURE, 7th edition delivers extensive coverage of every aspect of the law and details the duties a paralegal is expected to perform when working within criminal law. High-level, comprehensive coverage is combined with cutting-edge developments, foundational concepts, and emerging trends, such as terrorism, treason, and national security crimes; cyber stalking; virtual child pornography; corporate crime, racial profiling, and more. Case excerpts help you develop your case analysis skills, while a variety of built-in learning aids sharpen your problem solving and analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This contemporary, comprehensive, case-driven book from award-winning teacher Matthew Lippman covers the constitutional foundation of criminal procedure and includes numerous cases selected for their appeal to today's students. Organized around the challenge of striking a balance between rights and liberties, Criminal Procedure, Fourth Edition emphasizes diversity and its impact on how laws are enforced. Built-in learning aids, including You Decide scenarios, Legal Equations, and Criminal Procedure in the News features, engage students and help them master key concepts. Fully updated throughout, the Fourth Edition includes today's most recent legal developments and decisions. Features and Benefits A chapter-opening vignette drawn from a case in the chapter gets students immediately involved in the content that follows. Test Your Knowledge questions at the beginning of each chapter help students activate prior knowledge read with purpose for topics they don't yet know. Edited cases introduced by clear and accessible descriptions provide students with concrete examples and illustrations and expose them to the actual documents that have shaped the American criminal justice system. Additional edited cases are available on the student study website. Legal Equations offer visual overviews of the laws and concepts discussed in the text. Questions after each case reinforce learning and help students uncover the key points. Criminal Procedure in the News excerpts expose students to contemporary developments in the law through current events. Chapter Summaries and Chapter Review Questions help students prepare for exams. A chapter-ending Legal Terminology section with corresponding Glossary helps students master the vocabulary of the criminal justice system. New to this Edition A number of significant, new U.S. Supreme Court decisions are now cases discussed in the book, such as United States v. Carpenter, which raised important questions around police use of new technology. Other new cases address important issues including privacy, racial discrimination, and effective assistance of counsel, search and seizure, juries, plea bargaining, the exclusionary rule, pretrial motions, and habeas corpus. Features. The content includes a new Test Your Knowledge feature and a number of new You Decide and Criminal Procedure in the News features that explore crucial topics such as police use of deadly force, the second amendment and gun control, a defendant's right to a bail, racial bias in jury deliberations, searches of electronic devices, and much more. Topics. Several new topics have been added or expanded to reflect their growing impact on criminal procedure. These topics include technology and the home, police use of cell-site location information and body cameras, patterns and trends of Terry stops in major cities across the US, individuals being arrested for "Walking While Black," racial bias in the judiciary, and the impact of the policies of the Trump administration on the use of drones, the detention of undocumented immigrants, and the continued operation of the detention facilities at Guantanamo.

Defining Crimes, by the distinguished author team of William J. Stuntz (late of Harvard) and Joseph L. Hoffmann (Indiana), breaks from the tradition of Model Penal Code-centric casebooks and focuses instead on the rich intellectual and theoretical issues that arise from how crimes actually get defined and applied today by state and federal legislatures, trial and appellate courts, police, prosecutors, defense lawyers, and juries. The innovative approach of Defining Crimes enables the in-depth study of the problems and issues that affect the day-to-day contemporary practice of criminal law.

A practical and applied introduction to criminal justice Introduction to Criminal Justice: Practice and Process shows you how to think practically about the criminal justice system by offering you a proven, problem-based approach to learning. Bestselling authors Kenneth J. Peak and Tamara D. Madensen draw on their many years of combined practitioner and academic experience to explain the importance of criminal justice and show how key trends, emerging issues, historical background, and practical lessons can be applied in the field. New to the Third Edition: An emphasis on constitutional policing, legitimacy, and procedural justice stresses the importance for police to develop a "guardian" mindset over a "soldier" mindset. New discussions of contemporary criminological theories—such as social structure theories, social process theories, social conflict theories, feminist theories, and environmental criminology theories—provide you with a concise explanation on why people commit crimes and how to prevent them in the modern world. An in-depth view of three particularly challenging

problems and policy issues—terrorism, the mentally ill population, and illegal immigration—demonstrate how today’s society and the criminal justice system are affected by these issues and what can be done to address the problems. New examples and case studies of ethical dilemmas illustrate today’s climate of distrust, dissension, and dysfunction to encourage you to think critically about what is considered “ethical”. New video interviews with criminal justice professionals offer you career advice, provide you with insights into a variety of career paths, and discuss challenges and misconceptions of each profession.
