Dark State is the second entry and and both books have a setting with multiple parallel worlds that differ mildly or wildly from our own. The major powers of two fairly similar worlds are close to a nuclear confrontation across dimensions unless more sane voices on each side can get sufficient purchase to ease the tensions.

Hugo Award-winning author Charlie Stross dives deep into the underbelly of paratime espionage, nuclear warfare, and state surveillance in this provocative techno-thriller set in The Merchant Princes multi-verse Dark State ups the ante on the already volatile situations laid out in the sleek techno-thriller Empire Games, the start to Stross' new story-line, and perfect entry point for new readers, in The Merchant Princes series. In the near-future, the collision of two nuclear superpowers across timelines, one in the midst of a technological revolution and the other a hyper-police state, is imminent. In Commissioner Miriam Burgeson ' s timeline, her top level agents run a high risk extraction of a major political player. Meanwhile, a sleeper cell activated in Rita's, the Commissioner's adopted daughter and newly-minted spy, timeline threatens to unravel everything. With a penchant for intricate world-building and an uncanny ability to realize alternate history and technological speculation, Stross' writing will captivate any reader who's a fan hi-tech thrillers, inter-dimensional political intrigue, and espionage. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Charles Stross builds a new series with Empire Games, expanding on the world he created in the Family Trade series, a new generation of paratime travellers walk between parallel universes. The year is 2020. It's seventeen years since the Revolution overthrew the last king of the New British Empire, and the newly-reconstituted North American Commonwealth is developing rapidly, on course to defeat the French and bring democracy to a troubled world. But Miriam Burgeson, commissioner in charge of the shadowy Ministry of Intertemporal Research and Intelligence—the paratime espionage agency tasked with catalyzing the Commonwealth's great leap forward—has a problem. For years, she's warned everyone: "The Americans are coming." Now their drones arrive in the middle of a succession crisis. In another timeline, the U.S. has recruited Miriam's own estranged daughter to spy across

timelines in order to bring down any remaining world-walkers who might threaten national security. Two nuclear superpowers are set on a collision course. Two increasingly desperate paratime espionage agencies try to find a solution to the first contact problem that doesn't result in a nuclear holocaust. And two women—a mother and her long-lost daughter—are about to find themselves on opposite sides of the confrontation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The alternate timelines of Charles Stross' Empire Games trilogy have never been so entangled than in Invisible Sun—the techno-thriller follow up to Dark State—as stakes escalate in a conflict that could spell extermination for humanity across all known timelines. An inter-timeline coup d' é tat gone awry. A renegade British monarch on the run through the streets of Berlin. And robotic alien invaders from a distant timeline flood through a wormhole, wreaking havoc in the USA. Can disgraced worldwalker Rita and her intertemporal extraordaire agent of a mother neutralize the livewire contention before it's too late? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The third book (after The Family Trade and The Hidden Family) in the saga of the Merchant Princes by Charles Stross, in which Miriam gets into deadly trouble. Miriam Beckstein has gotten in touch with her roots and they have nearly strangled her. A young, hip, business journalist in Boston, she discovered (in The Family Trade) that her family comes from an alternate reality, that she is very well-connected, and that her family is a lot too much like the mafia for comfort. In addition, starting with the fact that women are family property and required to breed more family members with the unique talent to walk between worlds, she has tried to remain an outsider and her own woman. And start a profitable business in a third world she has discovered, outside the family reach (recounted in The Hidden Family). She fell in love with a distant relative but he's dead, killed saving her life. There have been murders, betrayals. Now, however, in The Clan Corporate, she may be overreaching. And if she gets caught, death or a fate worse is around the bend. There is for instance the brain-damaged son of the local king who needs a wife. But they'd never make her do that, would they? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Dark State is the second book in the thrilling Empire Games series - set in the same world as Charles Stross' The Merchant Princes series. In the near future, the collision of two nuclear superpowers - in two different timelines - is imminent. One America is experiencing its first technological revolution, whilst a parallel United States is a hi-tech police state. But both are poised to wreak destruction. In Miriam Burgeson's America, internal politics are pulling the government apart. But if one of her agents secures a high-profile defection, civil war may be averted. Rita Douglas, rival US spy, arrives during this crisis. Her world is rocked when she realizes Miriam is her mother, who gave her up for adoption as a baby. But what impact will this have on the conflict? Then the US discovers another timeline, and the remains of an advanced society. Something annihilated that civilization - and Rita's people are about to rouse it.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny ' s struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

Elam Harnish has more money than he would ever need. As he accumulates wealth as a successful entrepreneur in the Alaskan Gold Rush, Harnish must face the challenges of the Yukon Territory. After he makes a fortune, Harnish finds himself still unsatisfied. In efforts to find a new challenge and make more money, Harnish decides to move down to the mainland of America, settling in California. However, after a group of money kings threaten to take his entire amassed fortune, Harnish resorts to violence to recover it, endangering him both physically and morally as he slides down a slippery slope of immorality. Realizing that he can make even more money with undercut business practices, Harnish slowly becomes corrupt, making shady business deals, cheating, and being dishonest. While it gives him more wealth, Harnish soon realizes that money is not all he wants in life. After one of his employees catch his eye, Harnish resorts to harassing her for attention. However, she is a woman of strong will and morals, and refuses his advances. Harnish realizes that she will never reciprocate his attraction if he continues his shady business dealings, but what if it is too late to redeem himself? Filled with action and suspense, Jack London ' s Burning Daylight brings an exciting twist to the classic enemies to lovers storyline. Featuring two exciting settings—California and Alaska, Burning Daylight is an entertaining glimpse into the gold rush era of the United States. Through the use of amusing caricatures of hyper-masculinity and hyper-femininity, London ' s romance novel also provides intriguing insight on the early 20th century gender expectations. Burning Daylight has inspired several film adaptations over the years, and was among the list of best-selling books when it was released in 1910. With adaptations and record sales, Jack London ' s Burning Daylight proves that it is a prolific work able to be enjoyed by audiences even in the 21st century. This edition of Burning Daylight by Jack London is now presented with a new, eye-catching cover and is printed in an easy-to-read font, making it both modern and accessible.

The discovery of the mutilated corpse of a legal secretary in the garden of her employer's house presents an intriguing problem for the west Yorkshire police force. The absence of any motive or credible suspects make it seem that they are heading for a dead end. Unknown to the police, this murder was an act of revenge, carried out by an unsuspecting man, manipulated by a malevolent controller who has infiltrated his mind. For the controller, this act was retribution, but he soon escalates it to another level, regarding it as a game. He presents the police with yet another murder and as suspects line up, confusion reigns. He cares little about who suffers in this bizarre game. The outcome is uncertain and the reader is challenged to identify the real perpetrator. The first part of a trilogy, this book merely whets the appetite. For more information, contact -www.winemanauthor.com

A Spectacular Enhancement to the Skill System Mythic Skills introduces a system of skill exploits that take the basic tasks your skills allow you to perform and dials them up to amazing levels. In addition, every skill in the Pathfinder Roleplaying Game Core Rulebook also gets brand-new skill exploits, as well as greater exploits that only the most skilled masters would even attempt. This book contains rules for using these enhanced skills with mythic characters but also provides an alternative system for use in non-mythic Pathfinder campaigns! This system allows your characters to focus on their skills as a key part of their character construction and to invest more of their character's abilities in their character itself, rather than the character's gear or magical tools. You can use these rules generally with mythic characters, allowing them to attempt all manner of skill-based exploits, or you can limit the ability to pull off these amazing skill stunts to those mythic characters that have really invested in making their skills a key part of their character's identity. The mythic rules offer an opportunity to magnify what makes a

character special, and the skills they choose to hone as part of their background narrative and throughout the course of the campaign should be just as important in defining them as their marvelous magic and fabulous feats. With Mythic Skills in your hands, your skills will be just as spectacular!"
