The phrase "death by food pyramid" isn't shock-value sensationalism, but the tragic consequence of following federal advice and corporate manipulation in pursuit of health. In *Death by Food Pyramid*, Denise Minger exposes the forces that overrode common sense and solid science to launch a pyramid phenomenon that bled far beyond US borders to taint the eating habits of the entire developed world.

overrode common sense and solid science to launch a pyramid phenomenon that bled far beyond US borders to taint the eating habits of the entire developed world.

Death by Food Pyramid: How Shoddy Science, Sketchy ...

Denise Minger's "Death by Food Pyramid" was assigned as the first book to read in my Chemistry of Food course. The purpose of Minger's book was to essentially debunk the validity that was accepted in the food pyramid for so long.

Death by Food Pyramid: How Shoddy Science, Sketchy ...

Death by Food Pyramid is not a pro-Paleo book per se, although the Paleo diet (as most commonly implemented to include healthful nutrient-dense animal fats and embracing starchy roots and tubers) is consistent with Denise's evaluations and recommendations. Instead, this is a book about science, policy, the dissemination of information, and the value of critical thinking and common sense.

Book Review: Death by Food Pyramid by Denise Minger ~ The ...

Death by Food Pyramid contains so many highlights, so much good information, and gets so many things right, it is hard to review it without wanting to reproduce it. From the skewed science and agenda-driven government agencies to the confused and confusing experts and their contradictory and confounded studies and suggestions, page after page exposes the unfolding history of diet in the second half of the twentieth century in all its tragic madness and folly.

Death by Food Pyramid by Denise Minger - The Weston A ...

"Death By Food Pyramid" is a solid book on the origins and effects of the Eat Less Fat and More Grains dogma trumpeted since the 1920's. The popularity of Crisco, for example, was the result of intense marketing, despite research showing these new "trans fats" weren't all that great a replacement for the pastured lard and creamy butter we were used to.

cholesterol and saturated fat, not so much due to a lack of high quality suggestive evidence, but due to the lack of unequivocal evidence. At the same time, Minger fails to provide any unequivocal evidence to support her own dietary recommendations, recommendations that she seems to suggest should be adopted into the federal guidelines.

Denise Minger: Death By Food Pyramid or Saved By Food ...

I recently had the opportunity to interview Denise Minger (listen to the podcast here), author of Death by Food Pyramid: How Shoddy Science, Sketchy Politics and Shady Special Interests Have Ruined Our Health. The book provides background and historical context for how we took a huge wrong turn in our public policy toward nutrition.

"Death by Food Pyramid": A review | DR. RONALD HOFFMAN

The phrase "Death by Food Pyramid" isn't shock-value sensationalism, but the tragic consequence of following federal advice and corporate manipulation in pursuit of health. In Death by Food Pyramid, Denise Minger exposes the forces that overrode common sense and solid science to launch a pyramid phenomenon that bled far beyond US borders to taint the eating habits of the entire developed world.

Death by Food Pyramid by Denise Minger | Audiobook ...

Death by Food Pyramid, published by Mark Sisson, is an exquisitely researched expose on how, "Shoddy Science, Sketchy Politics, and Shady Special Interest Groups Have Conspired to Ruin the Health of America", and what you can do to avoid succumbing to such bad influences. Denise provides an effective counter-punch to many of the pillars of conventional dietary wisdom and government nutrition policy have been a massive failure, and led to widespread diet-related obesity, disease and ...

Death by Food Pyramid Quotes by Denise Minger

I started reading Death by Food Pyramid : How Shoddy Science, Sketchy Politics and Shady Special Interests Have Ruined Our Health by Denise Minger several months ago (Minger writes the Raw Food SOS blog).I was cruising along, really enjoying the book, when I made the mistake of watching the first season of Game of Thrones on Amazon Instant Video.
