A practical how-to guide from the author of Mad About the House, the bestselling book and UK's number 1 interiors blog. This dictionary of interior design answers all those questions you were afraid to ask. The book begins with the most important questions of all: Who? What? When? Where? Why? and How? The aim is to answer these before you start any decorating scheme and you will avoid the most common mistakes, save money and, most importantly, create a home that works for you and the people who live there. This

Practice your product design and UX skills. Prepare for your next job interview. Redesign the NYC metrocard system. Design a dashboard for a general practitioner. Redesign an ATM. Learn how to solve and present exercises like these, that top startups use to interview designers for product design and UI/UX roles. Today top companies are looking for business-minded designers who are not just focused on visuals. With this book you can practice this kind of mindset, prepare for job interview, learn how to
