Anyone who refuses to work for them is hurt or killed—like Miguel. With Miguel gone, Jaime fears that he is next. There ’ s only one choice: accompanied by his cousin Ángela, Jaime must flee his home to live with his older brother in New Mexico. Inspired by true events, *The Only Road* is an individual story of a boy who feels that leaving his home and risking everything is his only chance for a better life. DESTINOS is an innovative beginning Spanish program based on a 26-week television series premiering on PBS in the fall of 1992. The 52 half-hour shows of the series use the powerful appeal of a uniquely Hispanic genre -- the telenovela (soap opera) -- to make language and culture come alive. The situation and context of each episode introduce students to the basic structures, language functions and vocabulary groups of Spanish that are then presented in the print materials. (Most grammar explanations and exercises are in the workbook/study guides.) This complete one-year course is designed to help students develop communicative proficiency -- listening, speaking, reading, and writing -- as well as cultural awareness in Spanish. The plot of DESTINOS is designed to engage student viewers from the very beginning. A wealthy Mexican patriarch, nearing the end of his life, reveals a secret he has kept from his family for many years. His revelation leads to some important questions that must be answered before he dies. Raquel Rodríguez, a Mexican-American lawyer, embarks on a search for those answers, a search that takes her to Spain, Argentina, Puerto Rico, and back to Mexico. Students and viewers can join in the search -- learning Spanish and about the rich and diversified cultural context in which it is spoken throughout the world.

Integrating theory, research, and applications, this book examines the defense mechanisms and their role in both normal development and psychopathology. It describes how children and adults mobilize specific kinds of defenses to maintain their psychological equilibrium and preserve self-esteem, particularly in situations of trauma or stress.
