"Is titanium for you? Can better brakes reduce lap times significantly? How do you choose the rights nuts and bolts? Which is more important, cornering or straight-line speed? Why did it break again? Engineer to Win not only answers these and many other questions, it gives you the reasons why."--Back cover

Larousse Patisserie and Baking is the complete guide from the authoritative French cookery brand Larousse. It covers all aspects of baking - from simple everyday cakes and desserts to special occasion show-stoppers. There are more than 200 recipes included, with everything from a quick-mix yoghurt cake to salted caramel tarts and a spectacular mixed berry millefeuille. Special features on baking for children, lighter recipes and quick bakes, among many others, provide a wealth of ideas. More than 30 extremely detailed step-by-step technique sections ensure your bakes are perfect every time. The book also includes workshops on perfecting different types of pastry, handling chocolate, cooking jam and much more, demonstrated in clear, expert photography. This is everything you need to know about pastry, patisserie and baking from the cookery experts Larousse.

This is an exhilarating book, written by one of sociology's most imaginative theorists and critics. Professor Corrigan proceeds by turning old answers into new questions. He draws on a rich tradition of thought from sociology, philosophy, structuralism, post-structuralism, and literary criticism to explore major ongoing problems in everyday life: moral regulation, schooling, the capitalist world economy, intellectuals, and the problem of difference, masculinity. The result is one of the most dazzling contributions to critical sociology published in recent years.

Are you and your family self-reliant? Will you be able to provide for them and keep them safe? The best way to prepare for the future is not through fancy tools and gadgets—it's experience and knowledge that will best equip you to handle the unexpected. Everyone begins somewhere, especially with disaster preparedness. In 52 Prepper's Projects, you'll find a project for every week of the year, designed to start you off with the foundations of disaster preparedness and taking you through a variety of projects that will increase your knowledge in self-reliance and help you acquire the actual know-how to prepare for anything. Self-reliance isn't about building a bunker and waiting for the end of the world. It's about understanding the necessities in life and gaining the knowledge and skill sets that will make you better prepared for whatever life throws your way. 52 Prepper's Projects is the ultimate instructional guide to preparedness, and a must-have book for those with their eye on the future.

For five years, Zach Tyler, son of one of the world's richest software moguls, was held hostage, tortured, and abused. When he is rescued at last from the Venezuelan jungle, he is physically and psychologically shattered, but he slowly begins to rebuild the life he should have had before an innocent kiss sent him into hell. His childhood best friend David has lived those years with overwhelming guilt and grief. Every relationship David has tried has fallen apart because of his feelings for a boy he thought dead. When Zach is rescued, David is overjoyed—and then crushed when Zach shuts him out. Two years later, David returns home, and he and Zach must come to terms with the rift between them, what they feel for each other, and what their future could hold. But Zach has secrets, and one of them might well destroy their fragile love.

Publishers Weekly Bestseller Newsweek Fall Must-Read Book Books-a-Million "Must-Read This Fall" Selection "Shot through with hope, purpose and an unflinching love, it's a story that must be read." —Newsweek "Essential, poignant, and insightful reading." —Kirkus Review Award-winning columnist and author David Magee addresses his poignant story to all those who will benefit from better understanding substance misuse so that his hard-earned wisdom can save others from the fate of his late son, William. The last time David Magee saw his son alive, William told him to write their family's story in the hopes of helping others. Days later, David found William dead from an accidental drug overdose. Now, in a memoir suggestive of Augusten Burroughs meets Glennon Doyle, award-winning columnist and author David Magee answers his son's wish with a compelling, heartbreaking, and impossible to put down book that speaks to every individual and family. With honesty and heart, Magee shares his family's intergenerational struggle with substance abuse and mental health issues, as well as his own reckoning with family secrets—confronting the dark truth about the adoptive parents who raised him and a decades-long search for identity. He wrestles with personal substance misuse that began at a young age and, as a father, he sees destructive patterns repeat and develop within his own children. While striving to find a truly authentic voice as a writer despite authoring nearly a dozen previous books, Magee ultimately understands that William had been right and their own family's history is the story he needs to tell. A poignant and uplifting message of hope translates unimaginable tragedy into an inspirational commitment to saving others, as David founded the William Magee Institute for Student Wellbeing at the University of Mississippi. His mission to share solutions to self-medication and addiction, particularly as it touches America's high school and college students, emphasizes that William's story is about much more than a tragic addiction—it's an American story of a family broken by loss and remade with love. Dear William inspires readers to find purpose, build resilience, and break the cycles that damage too many individuals and the people who love them. It's a life-changing book revealing how voids can be filled, and peace—even profound, lasting happiness—is possible.

Your Wildest Dreams, Within Reason collects Mike Sacks's unique humor pieces--craigslist ads, lesser-known tantric positions, letters to famous authors, lists, jokes, and the occasional illustration--into one handsome volume. Ever accidentally sent a mass e-mail to your office describing your Not Safe-For-Work fantasy kingdom? Or been confused about the ground rules at a cuddle party? Looking to rent an overpriced room in the Hamptons from a co-dependent sociopath with a checkered past (and a hot tub)? Good. Your Wildest Dreams, Within Reason collects Mike Sacks's unique humor pieces--Craigslist ads, lesser-known tantric positions, letters to famous authors, Shaft living in the suburbs, a classic-rock DJ suffering a nervous breakdown, the occasional list--into one handsome, convenient volume. Originally published in The New Yorker, Vanity Fair, Esquire, and McSweeney's, among other venerable publications, Sacks's writing is original and sharp, yet broadly funny. Whether it's a groom tweeting his wedding and honeymoon in real time, or a publisher offering editorial suggestions for The Diary of Anne Frank, Sacks's work tangles contemporary social satire with his absurdist sensibilities.
