Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Originally published in 1977, Energy II provides a comprehensive and updated bibliography of energy in the context of the social sciences. Following on from the first bibliography published in

Online Library Disappearing Energy

Dorothy E Shuttlesworth Doubleday

1975, this book offers a fully updated bibliography, and argues that energy problems are best seen in the context of social phenomena, such as social attitudes, social behaviours, social institutions and structures and populations. The book provides a unique list of references that examine energy problems outside of the context of social factors.

Every 3rd issue is a quarterly cumulation.

Shows how to integrate information books into the curriculum, and lists activities for use with 57 nonfiction titles, with learning objectives, materials lists, and directions for each

The 1st ed. includes an index to v. 28-36 of St. Nicholas.
