After grad school, Catherine and Gwen chose polar opposite paths. Catherine built a career as a rockstar academic, while Gwen built a home with her husband and children. Decades later, unfulfilled in polar opposite ways, each woman covets the other's life, commencing a dangerous game of musical chairs—the prize being Gwen's husband. With searing insight and trademark wit, this comedy is an unflinching look at gender politics in the wake of 20th-century feminist ideals.

"An archaeological mystery, the story of young American Bruce Brandon, eager to ascertain more about the graves of Egyptian gods, is set against a clearly focused background of the Land of the Pyramids. Bruce is determined to find mummified crocodiles, which he believes were spirited away by reactionary priests during the reign of the ruler Akhenaten, who tried to introduce monotheism into Egypt." --Preface.

Katie 's Cabbage is the inspirational true story of how Katie Stagliano, a third grader from Summerville, South Carolina, grew a forty-pound cabbage in her backyard and donated it to help feed 275 people at a local soup kitchen. In her own words, Katie shares the story of the little cabbage seedling and the big ideas of generosity and service that motivated her to turn this experience into Katie 's Krops, a national youth movement aimed at ending hunger one vegetable garden at a time. Katie 's Cabbage reminds us of how small things can grow and thrive when nurtured with tender loving and care and of how one person, with the support of family, friends, and community, can help make a powerful difference in the lives of so many. Katie 's Cabbage was illustrated by Karen Heid, associate professor of art education at the University of South Carolina School of Visual Art and Design. Editorial assistance was provided by Michelle H. Martin, a dedicated gardener and the Augusta Baker Chair in Childhood Literacy at the University of South Carolina School of Library and Information Science. Patricia Moore-Pastides, First Lady of the University of South Carolina and author of Greek Revival from the Garden: Growing and Cooking for Life, offers a foreword about her friendship with Katie and her admiration of Katie 's dream to end hunger one garden at a time.
