Andrew Rapo and Alex Michael explain all the important programming concepts from a designer's point of view, making them completely accessible to non-programmers. Completely revised and rewritten this second edition will help you develop professional ActionScript 2 applications, and communicate knowledgeably about current, Object Oriented ActionScript 2 techniques. Divided into four sections to take you from novice to professional results: * Flash Fundamentals: Introduces the Flash authoring environment and basic core Flash concepts. * ActionScript 2 Fundamentals: Explains basic programming concepts and terminology, and shows how ActionScript 2 classes are constructed and used. * Built-in Classes: Describes the built-in ActionScript classes that are available for use in applications, including the MovieClip class, Key class, Sound class, etc. * Using ActionScript to Build a Game: Describes the development process for creating a complex Flash application and presents commercial-quality game coding examples.

Named a Notable Book for 2005 by the American Library Association, One with Nineveh is a fresh synthesis of the major issues of our time, now brought up to date with an afterword for the paperback edition. Through lucid explanations, telling anecdotes, and incisive analysis, the book spotlights the three elephants in our global living room—rising consumption, still-growing world population, and unchecked political and economic inequity—that together are increasingly shaping today's politics and humankind's future. One with Nineveh brilliantly puts today's political and environmental debates in a larger context and offers some bold proposals for improving our future prospect.

“[Sigrid Undset] should be the next Elena Ferrante.” —Slate The turbulent historical masterpiece of Norway's literary master In her great historical epic Kristin Lavransdatter, set in fourteenth-century Norway, Nobel laureate Sigrid Undset tells the life story of one passionate and headstrong woman. Painting a richly detailed backdrop, Undset immerses readers in the day-to-day life, social conventions, and political and religious undercurrents of the period. Now in one volume, Tiina Nunnally's award-winning definitive translation brings this remarkable work to life with clarity and lyrical beauty. As a young girl, Kristin is deeply devoted to her father, a kind and courageous man. But when as a student in a convent school she meets the charming and impetuous Erlend Nikulausson, she defies her parents in pursuit of her own desires. Her saga continues through her marriage to Erlend, their tumultuous life together raising seven sons as Erlend seeks to strengthen his political influence, and finally their estrangement as the world around them tumbles into uncertainty. With its captivating heroine and emotional potency, Kristin Lavransdatter is the masterwork of Norway's most beloved author—one of the twentieth century's most prodigious and engaged literary minds—and, in Nunnally's exquisite translation, a story that continues to enthral. This Penguin Classics Deluxe Edition includes an introduction by Brad Leithauser and features French flaps and deckle-edged paper. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines.
