The beloved debut novel from one of Australia's foremost storytellers. Epic and passionate, White Gardenia will sweep you away ... 'Mama, Mama,' I said to myself, 'keep safe. You will survive, and I will survive, until we can find each other again.' In a district of the city of Harbin, a haven for White Russian families since Russia's Communist revolution, Alina Kozlova must make a heartbreaking decision if her only child, Anya, is to survive the final days of World War II. White Gardenia sweeps across cultures and continents, from the glamorous nightclubs of Shanghai to the harshness of Cold War Soviet Russia in the 1960s, from a desolate island in the Pacific Ocean to a new life in post-war Australia. Both mother and daughter must make sacrifices, but is the price too high? Most importantly of all, will they ever find each other again? Rich in incident and historical detail, this is a compelling and beautifully written tale about yearning and forgiveness. 'Depicts vividly the powerful lifelong bond between mothers and daughters' - Paullina Simons 'Captivating' - Daily Telegraph 'A passionate and powerful family saga' - Australian Women's Weekly

Cats and women share many traits: beauty, elegance, sensitivity, affectionate natures, a knack for nurturing and a love of the luxurious. Cats also embody the feminine dark side, with a tendency towards neurosis and fear of change. Then there are the qualities that cats possess which women long to emulate: fighting fiercely to protect themselves, never saying yes when they mean no, and being unafraid to claim the best seat in the house. Cats are loyal to those who love them but couldn't give a toss about what others think. They don't suffer self-esteem issues or worry if they're overweight. And then there is that enviable air of mystery, that slinky walk . . . oh to be a cat! They're the ultimate totem of female strength. Belinda Alexandra, writer and ardent cat lover, makes no apology for celebrating the special bond between women and their cats. In The Divine Feline, she shares her own experiences with cats, describes the relationship between women and cats throughout history and solves behavioural and philosophical issues in a whimsical and practical way. Viva la cat lady!

FONT +1 Perfect for fans of Gail Honeyman's Eleanor Oliphant is Completely Fine; Ruth Hogan's The Keeper of Lost Things and Graeme Simsion's The Rosie Project, A Man Called Ove is one of the best-loved and most life-affirming novels of the decade. /FONT +1 This multi-million-copy phenomenon is a funny, moving, uplifting tale of love and community that will leave you with a spring in your step. 'Warm, funny, and almost unbearably moving' Daily Mail 'Rescued all those men who constantly mean to read novels but never get round to it' Spectator Books of the Year At first sight, Ove is almost certainly the grumpiest man you will ever meet. He thinks himself surrounded by idiots - neighbours who can't reverse a trailer properly, joggers, shop assistants who talk in code, and the perpetrators of the vicious coup d'etat that ousted him as Chairman of the Residents' Association. He will persist in making his daily inspection rounds of the local streets. But isn't it rare, these days, to find such old-fashioned clarity of belief and deed? Such unswerving conviction about what the world should be, and a lifelong dedication to making it just so? In the end, you will see, there is something about Ove that is quite irresistible . . .

England, 1905. Lord Robert and Lady Isobel Dilberne, as well as their entire regal estate, with its hundred rooms, are busy planning for a lavish visit from King Edward VII and his mistress just a few months away. Preparations are elaborate and exhaustive: the menus and fashions must be just so. But even amidst the excitement, not everyone is happy. Lady Rosina—now widowed and wealthy— insists on publishing a scandalous book despite her mother's objections. Arthur Dilberne and Chicago Heiress Minnie O'Brien's two young sons—the eldest of whom is heir to the estate—are being reared to Lady Isobel's tastes, not Minnie's. After making a shocking discovery, Minnie will take drastic measures for the sake of her children. And when fate deals a hand in the middle of the royal shooting party, the entire Dilberne estate will face upheaval once again. The New Countess is the final novel in Fay Weldon's outstanding trilogy that began with Habits of the House and Long Live the King. As the bestselling novelist and award-winning writer for the pilot episode of the original Upstairs Downstairs, Weldon magnificently lifts the curtain on early twentieth-century British society, upstairs and downstairs, under one stately roof.

NPR National Security correspondent Mary Louise Kelly has turned her own real-life reporting adventures into fiction with this stylish spy thriller that is “ great fun, from beginning to end ” (The Washington Post).
