*An Introduction to Project Management,  
Fifth Edition*

So I have read Kathy's books through the  
years especially when I want to brush up  
on PMP terminology and moving into a  
Project Management role. It's a good read  
and she does more than just regurgitate the  
PMI PMBOK but instead has good  
examples, stories from actual events, and  
how reality works in Project Management.
