(SCE) regarding agricultural activities by comparing how specific questions arising in this context must be dealt with under the Italian and Austrian legal systems. In this regard, Council Regulation (EC) No. 1435/2003, of 22 July 2003, on the Statute for a European Cooperative Society (SCE), is used as a tool

Download

Ebook La

for the structured analysis of various aspects of agricultural cooperatives. However, a comparison is only meaningful if the results are made comparable on the basis of a previously defined standard. Accordingly, the study uses, on one hand, a cooperative model developed by European legal scholars

Download

Ebook La

that defines general guidelines on how cooperatives should function (PECOL). On the other, the results are presented in connection with economic considerations to discuss how efficient rules can be developed.

With contributions by a multinational group of academic scholars,

Download

Ebook La

Judges and registrars of international tribunals, and experts from Non-Governmental

Organizations, this book explores the role of civil society with regards to international courts and tribunals, as well as compliance mechanisms set up especially in the environmental field.

The areas of human rights, international

Download

Ebook La

criminal law and international environmental law are the main focus of the study, in the light of the well established role of NGOs in Human Rights Courts and UN bodies as well as their remarkable success in setting up the International Criminal Court and the promising avenues

Download

Ebook La

which are now open in the compliance bodies of environmental law conventions. Broader questions and bodies such as the International Court of Justice, the International Tribunal for the Law of the Sea as well as European courts and tribunals are also examined.

Recent work in science

*Page 41/63*

Download

Ebook La

and technological studies has provided a clearer understanding of the way in which science functions in society and the interconnectedness among different strands of science, policy, economy and environment. It is well acknowledged that a different way of thinking is required in order to address problems facing

Download

Ebook La

the global community,  
particularly in relation  
to issues of risk and  
uncertainty, which affect  
humanity as a whole.

However, approaches to  
education in science  
tend to perpetuate an  
outmoded way of  
thinking that is  
incommensurable with  
preparing individuals for  
participation and  
decision-making in an

Download

Ebook La

uncertain, complex world. Drawing on experiences of interdisciplinary dialogue and practice in a higher education context, this book illustrates how reformulating the agenda in science and technology can have a revolutionary impact on learning and teaching in the classroom at all

Download

Ebook La

levels. This exceptional study will interest scholars in Education, Science, Technology, and Society, and those looking to further deliberative democracy and civic participation in their students.

Doing research is an ever-changing challenge for social scientists. This challenge is harder than

Download

Ebook La

ever today as current societies are changing quickly and in many, sometimes conflicting, directions. Social phenomena, personal interactions, and formal and informal relationships are becoming more borderless and disconnected from the anchors of the offline “ reality. ” These

Download

Ebook La

dynamics are heavily marking our time and are suggesting evolutionary challenges in the ways we know, interpret, and analyze the world. Internet and computer-mediated communication (CMC) is being incorporated into every aspect of daily life, and social life has been deeply penetrated by the internet. This is

Download

Ebook La

due to recent technological developments that increase the scope and range of online social spaces and the forms and time of participation such as Web 2.0, which widened the opportunities for user-generated content, the emergence of an “ internet of things, ”

Download

Ebook La

and of ubiquitous mobile devices that make it possible to always be connected.

This implies an adjustment to epistemological and methodological stances for conducting social research and an adaption of traditional social research methods to the specificities of online interactions in

Download

Ebook La

the digital society. The Handbook of Research on Advanced Research Methodologies for a Digital Society covers the different strands of methods most affected by the change in a digital society and develops a broader theoretical reflection on the future of social research in its challenge to always be fitting,

Download

Ebook La

suitable, adaptable, and pertinent to the society to be studied. The chapters are geared towards unlocking the future frontiers and potential for social research in the digital society. They include theoretical, epistemological, and ontological reflections about the digital research methods as

Download

Ebook La

well as innovative methods and tools to collect, analyze, and interpret data. This book is ideal for social scientists, practitioners, librarians, researchers, academicians, and students interested in social research methodology and its developments in the digital scenario.

Disciplina Delle

Combining the latest

work of leading

sentencing and

punishment scholars

from twelve different

countries, this major

new international

volume answers key

questions in the study of

sentencing and society.

It presents not only a

rigorous examination of

Download

Ebook La

the latest legal and empirical research from around the world, but also reveals the workings of sentencing within society and as a social practice. Traditionally, work in the field of sentencing has been dominated by legal and philosophical approaches.

Distinctively, this volume provides a more

Download

Ebook La

sociological approach to sentencing: so allowing previously unanswered questions to be addressed and new questions to be opened. This extensive collection is drawn from around one third of the papers presented at the First International Conference on Sentencing and Society. Almost without

Download

Ebook La

exception, the chapters have been revised, cross-referenced and updated.

The overall themes and findings of the international volume are set out by the opening "Introduction" and the closing "Reflections" chapters. Research findings on particular penal policy questions are balanced with an analysis of fundamental

Download

Ebook La

conceptual issues,  
making this  
international volume  
essential reading for:  
sentencing and  
punishment scholars,  
criminal justice policy-  
makers, and graduate  
students.

Essays illustrate the  
ways Renaissance  
Florentines expressed or  
shaped their identities as
