Consider your palette, your paint set, your box of pastels. We appreciate colour, but possibly it is so readily available that we don't often consider how it came to be in our hand. A bit of curiosity turned into some research into the origins and history of different pigments we are used to seeing and those we don't see so often anymore in their true form.

Sell or License Your Art through Stock Agencies. Earn royalties from your work by licensing it or simply sell it outright to a stock agency. Photographers, musicians, and video makers will look to Getty Images as a top choice in the field, while Shutterstock is one of many agencies that also accepts illustrations and vector graphics. If done wisely with quality work, this can be a steady stream of income that can quickly add up.

8 Ways to Make Money from Art and Monetize Your Creativity

There are ways to make cash and a living from selling your art. If you want to turn your art directly into cash, you don't even need to go to a crafts fair. Now that the Internet has become widespread and a large number of people have access to a computer, you can sell your paintings or designs for cash online.
