Hardback. Condition: New. 7th Edition. Language: English. Brand new Book. Managerial Accounting, 7th Edition by Weygandt, Kimmel, and Kieso provides students with a clear introduction to fundamental managerial accounting concepts. The 7th edition helps students get the most out of their accounting course by making practice simple.

Financial Accounting, 5th Edition provides students with an understanding of fundamental concepts necessary to use accounting effectively. Starting with a “macro” view of accounting information, the authors present real financial statements. They establish how a financial statement communicates the financing, investing, and operating activities of a business to users of accounting information. Kimmel, Weygandt and Kieso motivate students by grounding the discussion in the real world, showing them the relevance of the topics covered to their future.

This book provide readers with an understanding of concepts that are fundamental to the use of managerial accounting using an active learning approach by creating an environment where readers can be actively engaged, a process which has been proven to be one of the most effective in learning. It uses financial information and accounting practices of real high-profile companies like Starbucks, Microsoft, Ben & Jerry's, and Intel.

Students get accounting when using Kimmel Accounting with WileyPLUS because we make learning accounting easy and accessible for today’s different types of learners. Written in a concise, clear, and conversational way, Kimmel Accounting provides just the right amount of information students need to come to class prepared. With powerful visuals, interactive tutorials, and problem solving videos, Kimmel Accounting makes complex accounting concepts possible to absorb quickly. Starting with the big picture of financial statements, Paul Kimmel shows students why financial and managerial accounting is important to their everyday lives, business majors and future careers. Students using WileyPLUS do real accounting, get real results. With automatically graded practice and homework assignments, and over 2 hours of video based resources per chapter, students come to class prepared and ready for quizzes and exams. With access to 1,000 practice CPA exam review questions powered by Wiley CPAexcel, students check their intermediate accounting knowledge against CPA exam standards. With internship listings powered by AccountingFly, students have a two-week head start on applying to accounting internships across the country. WileyPLUS for Intermediate Accounting 15th Edition prepares students for success in the course, and in the profession. WileyPLUS is sold separately from this text.

Managerial Accounting: Tools for Business Decision Making, 7th Edition by Weygandt, Kimmel, and Kieso provides students with a clear introduction to fundamental managerial accounting concepts. The Seventh Edition helps students get the most out of their accounting course by making practice simple.
