Mike Rashid Overtraining

When it comes to weight training, the concept of overtraining your muscles beyond their current comfort zone is known as progressive overload. That does NOT mean spending three hours in the gym twice a day or ignoring signs of injury; what it DOES mean is going full beast mode for 60-90 minutes applying a strategic and consistent overloading schedule. Get Started . If you're not completely ...

Overtraining Reloaded - Mike Rashid

Overtraining Solution was designed to help those who train heavily. During intense training the body's immune system and recovery tend to slow down so by taking O.S. you boost the body where it needs it most. But O.S. can also help the regular person stay healthy. You do not need to train intensely to get the benefits of O.S. So if you're looking to get healthy and stay healthy, O.S. is ...

The Mike Rashid workout for overtraining, in his opinion, also teaches you about yourself. He explains that the stress, pain and hardship you endure when overtraining mirror the knocks that life gives you. If you can power through this on the bench, you can also rise above these challenges in your day-to-day routine.

Contact - Mike Rashid

Mike Rashid is a big believer in routines to prevent injuries. When he was younger, he felt invincible and wouldn't even warm-up before training. Now before each chest day, he will go through a variety of pressing motions with a resistance band. This takes extra time, but it can save your body in the future.
