“Illusion and Reality”. It is a work of Marxist literary criticism that develops the idea that each individual era of British poetry stems from a novel economical paradigm in bourgeois society. Christopher St John Sprigg (1907–1937), more commonly known by his pseudonym 'Christopher Caudwell', was a British Marxist poet and thinker. In early life, he made his way to Marxism and set about rethinking everything in light of it, from poetry to philosophy to physics, and became a staunch member of the 'Communist Party of Great Britain'. Many vintage texts such as this are becoming increasingly rare and expensive, and it is with this in mind that we are republishing this volume now, in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author.

A party planner extraordinaire, Katie Marcelli loves her big, boisterous family—even when their chronic matchmaking drives her crazy! In the Marcelli household, fine wine and good food are as celebrated as true love, so when her eighteen-year-old sister announces her engagement, Katie promises her the perfect wedding. There's only one hitch: the father of the groom, Zach Stryker, who is adamantly opposed to his son marrying so young. Now, despite her instant attraction to the handsome, arrogant attorney, Katie must approach with caution: Zach, who hired Katie for a
