The modules offered in PAIS naturally align with our four research clusters: Comparative Politics, Political Theory, International Political Economy, and International Relations & Security. You can follow modules aligned in any of these 'pathways,' and while it is not compulsory to do so, following a pathway will align your degree with the research groups within your department and prepare you for more specialised postgraduate courses you may wish to follow later.

published national curriculum standards in 1994. Since then, the social studies standards have been widely and successfully used as a framework for teachers, schools, districts, states, and other nations as a tool for curriculum alignment and development.

National Curriculum Standards for Social Studies ...

Now with SAGE Publications, Cheryl Cisero Durwin and Marla Reese-Weber's EdPsych Modules uses an innovative implementation of case studies and a modular format to address the challenge of effectively connecting theory and research to practice. Each module is a succinct, stand-alone topic that represents every subject found in traditional chapter texts and can be used in any order for maximum flexibility in organizing your course.
