its basis before at last turning to consider how religions, philosophies, and odd ducks have attempted to grapple with it.

On Desire: Why We Want What We Want by William B. Irvine

On Desire: Why We Want What We Want. William B. Irvine. On Desire is hardly a dense philosophical tome.

Full of insight, wit and wry quotes, it is a book likely to change your life. Just doing the research caused the author to be suspicious of his own desires.

Through personal examination and a review of the literature - philosophical, religious, and scientific - Irvine found that while desire formation may on the face of it seem a rational process, it is in fact mostly out of our control.

Desire | Philosophy Talk

This book, ON DESIRE, explains to me the why I want what I want and why others do what they do. He strongly urges us to stop, think, explore our own reasons for who we allow in our lives and what we allow ourselves to think about. In my view, we have to be the traffic cop to our souls and this book shows me how. (See pages 118-119).
