Mindfulness for Busy People Everyday demands pull us in all different directions. Our lives can feel scattered, and we often find ourselves reacting to stress rather than pausing to appreciate the moment. We rush around to keep up with our personal and professional to-do lists, yet we still feel defeated, like we're missing out on something. There's a lot working against us in this scattered world, but a mindfulness practice helps us reset, protect our energy, and move forward with a more peaceful heart. In *Own Your Present*, Dr. Candace Good provides you with a path to a more mindful life, helping you reconnect your body and mind with your surroundings. She shares engaging and deeply personal stories of her own struggles with anxiety to show you what it looks like to move beyond your past and inner critic to accept what is, imperfections and all. Dr. Good offers practical advice, therapy techniques, and activities as a map to help you begin or deepen your mindfulness practice. Owning your present, you'll come to learn, is not only noticing a moment or a gift before you but also committing to a journey to rediscover your authentic self, so you can show up when it counts. Regardless of what is happening in the world, you have what it takes to live in the moment!

Too often situations pop up that turn our world upside down. We become overwhelmed and hate falling victim to our circumstances. We desperately want to take control of our lives. Unfortunately, the good life seems to keep floating just beyond our reach. What can we do to make our lives better? Is it possible for us to take control of our own lives? After decades of training, research, and teaching, Dr. Neal has discovered a valuable path to better health and more joy-filled living. And the route is surprisingly simple. It's all about thoughts. Through a series of thought exercises, explanations, and examples, Neal guides us to explore how thoughts are connected to body, mind, and spirit. We learn to become more consciously aware of our thoughts and how knowledge is obtained. We begin to realize who we really are and why we want to take responsibility for our choices. Own Your Thoughts, Own Your Life is not just another self-discovery book about how to improve your attitude or overcome bad habits.

Owning your own thoughts allows you to dig down into the root of the problem and guide you forward to healthier thinking and a better life. Any generally curious person will find this book engaging. Dr. Neal inspires readers to continue to think long after they've closed the book. While the examples, exercises, and explanations are engaging, the ideas and perspectives that the book raises will stick with people for years afterwards and help them to live better lives. ~Ben Beese Former student of Dr. Neal, studying at Middlebury College Most books on Mindset are fluff, mere pop psychology. Dr Neal has written an in-depth book of techniques and strategies to change your life. I guarantee that in this book you'll find plenty of cutting-edge information to alter your way of thinking. ~ Robert G. Allen 5X NY Times Bestselling Author

After a relationship impasse, Barbara Feldon -- universally known as the effervescent spy "99" on Get Smart -- found herself living alone. Little did she know that this time would become one of the most enriching and joyous periods of her life. Now Feldon shares her secrets for living alone and loving it. Prescribing antidotes for loneliness, salves for fears, and answers for just about every question that arises in an unpartnered day, she covers both the practical and emotional aspects of the solo life, including how to:

greatness, while embracing your uniquely feminine attributes. Packed with rituals, meditations, and snackable lifestyle tips, Thomas provides a clear framework for harnessing your passion, developing spiritual fitness, and embracing true vulnerability. This guide is for anyone who wants to witness her own life transform and contribute to the positive change of the world around her. Combining spiritual, psychological, and self-reflective tools, Thomas offers an antidote to the hustle-hard, make-it-happen mainstream culture and fosters slowing down, intentionality, and self-care as a pathway to empowerment. How much more potent and powerful would we all be if we embraced our inherent talents, strengths, and feminine edge, rather than dwelling in patterns of self-criticism, doubt, and catty competition? Thomas invites you to step into a soulful, fulfilling life of freedom, transcending self-destructive habits and creating a blueprint for a more gratifying, centered, and bountiful way of living. Own Your Glow is an awakening roar for women to mobilize, become the masters of their lives, and hold their crowned heads up high, letting their relentless light from within shine bright for the world.

Your Power Human beings are incredible. An unlimited source of inspiration. We all carry a miraculous power within us, ready to be activated at any time. However, the hectic pace of modern life, the oversaturation of information that we absorb, and the excess of emotions and mind activity we engage in collectively disconnect us from this power. This book is an initiation into activating the power within. It provides a straightforward and easy to follow self-cultivation and self-growth master plan. In this journey to self-mastery, the author presents 32 updated ancient techniques to help you become more aware of your freedom and live a life both with and from authenticity. Sitara resided in Osho Ashram for 7 years and has shared profound meetings with the most renowned spiritual masters of this century, including the Dalai Lama, Sadhguru, Guruji and Ama ji. She has cultivated the art of meditation for more than 15 years and continues to enlighten others with her light and these proven techniques. By the end of Own Your Power, you will understand how to let go, how to embrace emptiness, how to tune into existence, and to celebrate your life in your best and your highest.
