Even though economic shutdowns from COVID-19 have slowed the economy, it hasn't affected the venture capital market. Andreessen Horowitz closed two \$4.5 billion funds, increasing the total venture capital raised in 2020 to \$69.1 billion, surpassing the previous record of \$67.8 billion raised in 2018. However, there were 589 VC funds started in 2018, but only 287 VC funds started in 2020.

Corporate Finance, by Ross, Westerfield, Jaffe and Jordan was written to convey the most important corporate finance concepts and applications as a level that is approachable to the widest possible audience. The concise format, managerial context and design, and student-friendly writing style are key attributes in this text. We took the best from RWJ Fundamentals and RWJ Corporate to create a book that fits an underserved need in the market. RWJJ Core Principles strikes a balance by introducing and covering the essentials, while leaving more specialized topics to follow-up courses. This text distills the subject of corporate finance down to its core, while also maintaining a deciding modern approach. The well-respected author team is known for their clear, accessible presentation of material that makes this text an excellent teaching tool.

Corporate Finance, by Ross, Westerfield, and Jaffe is a popular textbook that emphasizes the modern fundamentals of the theory of finance, while providing contemporary examples to make the theory come to life. The authors aim to present corporate finance as the working of a small number of integrated and powerful intuitions, rather than a collection of unrelated topics. They develop the central concepts of modern finance: arbitrage, net present value, efficient markets, agency theory, options, and the trade-off between risk and return, and use them to explain corporate finance with a balance of theory and application. The well-respected author team is known for their clear, accessible presentation of material that makes this text an excellent teaching tool. Brad Jordan, known for his successful work on the RWJ Fundamentals and Essentials books, contributed to this edition. His influence will be seen particularly in the writing style with smoother coverage of topics, and the increased quality in the problem material.
