While most surveys of contemporary art focus largely on two-dimensional work, there is a growing movement of emerging as well as established artists that are producing work in the ceramic medium. The New Age of Ceramics documents that movement; across 180 illustrations it showcases a story of the art world redefining what was previously considered 'craft' rather than art.

With over 300 5-star ratings on Goodreads for Book 1, readers love the Love in New York Series! Sometimes engagement rings can get lost and then found. Sometimes people can too. So I hopped on a plane with my friend Susan and spent 5 whirlwind days there, soaking up the culture, seeing the sights and nailing down the scenes that would eventually end up in this series. Those of you familiar with New York City know what I'm talking about when I say you just can't beat Russ and Daughters' bagels, Central Park, Times Square, Brooklyn, and Yonah Schimmels' knishes.

Intellectual freedom depends on material things. Poetry depends on intellectual freedom. And women have always been poor ... 'In these two classic essays of feminist literature, Woolf argues passionately for women's intellectual freedom and their role in challenging the drive towards fascism and conflict. In A Room of One's Own she explores centuries of limitations placed on women, as well as celebrating the creative achievements of the women writers who overcame these obstacles. In this first history of women's writing, she describes the importance of education, financial independence, and equa.

What do an ex-con, a former drug addict, a real estate broker, a college student and a married mother of two have in common? Nothing, or so I thought. Who would have imagined that God would make a prayer group as mismatched as ours the closest of friends? I almost didn't even go to the Chicago Women's Conference—after all, being thrown together with five hundred strangers wasn't exactly my “comfort zone.” But something happened that weekend to make us realize we had to hang together, and the Yada Yada Prayer Group” was born! When I faced the biggest crisis of my life, God used my newfound Sisters to show me what it means to be just a sinner saved by grace.
