prioritize, and adapt market-driven business strategies in dynamic markets. The text provides decision makers with concepts, methods, and procedures by which they can improve the quality of their strategic decision-making. The 11th Edition provides students in strategic marketing, policy, planning, and entrepreneurship courses with the critical knowledge and skills for successful market management, including strategic analysis, innovation, working across business units, and developing sustainable advantages.

This third edition of Strategic Marketing Management confirms it as the classic textbook on the subject. Its step-by-step approach provides comprehensive coverage of the five key strategic stages: * Where are we now? - Strategic and marketing analysis * Where do we want to be? - Strategic direction and strategy formulation * How might we get there? - Strategic choice * Which way is best? - Strategic evaluation * How can we ensure arrival? - Strategic implementation and control This new revised and updated third edition has completely new chapters on 'The Nature and Role of Competitive Advantage' and 'The Strategic Management of the Expanded Marketing Mix', and extensive new material covering: * The changing role of marketing * Approaches to

analysing marketing capability * E-marketing * Branding * Customer relationship management * Relationship management myopia * The decline of loyalty The book retains the key features that make it essential reading for all those studying the management of marketing - a strong emphasis on implementation, up to date mini cases, and questions and summaries in each chapter to reinforce key points. Widely known as the most authoritative, successful and influential text in the sector, the new edition remains an irreplaceable resource for undergraduate and graduate students of business and marketing, and students of the CIM Diploma.

Marketing has changed dramatically since the four classic Ps of the marketing mix (price, product, promotion and place) were proposed. The new marketing landscape is characterized by the demand for constant innovation, rising pressure on budgets, the growth of social media and the impact of issues of sustainability and ethics. As the business landscape has transformed so have the fundamental areas marketers need to master to succeed. The 20 Ps of Marketing provides a thorough guide to marketers at all levels of the new elements of the marketing mix they need to contend with for business success including: planning;

persuasion; publicity; positioning; productivity; partnerships; passion and more. Combining practical advice with case studies it covers brands that have changed the game through mastery of the 20 Ps such as Häagen-Dazs and Sony, and others, such as Kodak, who got left behind. This essential guide to the current face of marketing strategy provides marketers with a thorough and valuable grounding to the new fundamentals of marketing.
