Now you can read all five novels in one volume: Never Mind, Bad News, Mother's Milk, Some Hope, and At Last. By turns harrowing and hilarious, this ambitious novel cycle dissects the English upper class. Edward St. Aubyn offers his reader the often darkly funny and self-loathing world of privilege as we follow Patrick Melrose's story of abuse, addiction, and recovery from the age of five into early middle age. The Patrick Melrose Novels are "a memorable tour de force" (The New York Times Book Review) by one of "the most brilliant English novelists of his generation" (Alan Hollinghurst).

NATIONAL BESTSELLER An Atlantic Magazine Best Book of the Year A Publishers Weekly Best Book of the Year "The Melrose novels are a masterwork for the twenty-first century, written by one of the great prose stylists in England." -Alice Sebold, author of The Lovely Bones Soon to be a Showtime TV series starring Benedict Cumberbatch and Blythe Danner For more than twenty years, acclaimed author Edward St. Aubyn has chronicled the life of Patrick Melrose, painting an extraordinary portrait of the beleaguered and self-loathing world of privilege. This single volume collects the first four novels—Never Mind, Bad News, Some Hope, and Mother's Milk, a Man Booker finalist—to coincide with the publication of At Last, the final installment of this unique novel cycle. By turns harrowing and hilarious, these beautifully written novels dissect the English upper class as we follow Patrick Melrose's story from child abuse to heroin addiction and recovery. Never Mind, the first novel, unfolds over a day and an evening at the family's chateaux in the south of France, where the sadistic and terrifying figure of David Melrose dominates the lives of his five-year-old son, Patrick, and his rich and unhappy American mother, Eleanor. From abuse to addiction, the second novel, Bad News opens as the twenty-two-year-old Patrick sets off to collect his father's ashes from New York, where he will spend a drug-crazed twenty-four hours. And back in England, the third novel, Some Hope, offers a sober and clean Patrick the possibility of recovery. The fourth novel, the Booker-shortlisted Mother's Milk, returns to the family chateau, where Patrick, now married and a father himself, struggles with child rearing, adultery, his mother's desire for assisted suicide, and the loss of the family home to a New Age foundation. Edward St. Aubyn offers a window into a world of utter decadence, amorality, greed, snobbery, and cruelty—welcome to the declining British aristocracy.

Follows the life of Patrick Melrose, a member of an upper class English family, through his traumatic childhood with an abusive father, drug addiction, fatherhood, and the possible loss of his family home.

Now a 5-Part Limited Event Series on Showtime, Starring Benedict Cumberbatch and Blythe Danner In Bad News, the second installment in Edward St. Aubyn's wonderful, wry and profound series, the Patrick Melrose Cycle, Patrick, now in his twenties, is traveling to New York to collect the ashes of his recently deceased father. Deep in the grasp of a crippling drug addiction, he spends most of his time searching for a fix, alternately suffering from withdrawals, hallucinations, and anguish over his tyrannical father's death. Written in unflinching, breathtakingly resonant prose, St. Aubyn paints another haunting landscape of human suffering.

At his mother's family house in the south of France, Patrick Melrose has the run of a magical garden. Bravely imaginative and self-sufficient, five-year-old Patrick encounters the volatile lives of adults with care. His father, David, rules with considered cruelty, and Eleanor, his mother, has retreated into drink. They are expecting guests for dinner. But this afternoon is unlike the chain of summer days before, and the shocking events that precede the guests' arrival tear Patrick's world in two.

Double Blind follows three close friends and their circle through a year of extraordinary transformation. Set inLondon, Cap d'Antibes, Big Sur, and a rewiled corner of Sussex, this thrilling, ambitious novel is about the headlong pursuit of knowledge—for the purposes of pleasure, revelation, money, sanity, or survival—and the consequences of fleeing from what we know about others and ourselves. When Olivia meets a new lover just as she is welcoming her best friend, Lucy, back from New York, her dedicated academic life expands precipitously. Her connection to Francis, a committed naturalist living off the grid, is immediate and startling. Eager to involve Lucy in her joy, Olivia introduces the two—but Lucy has received shocking news of her own that binds the trio unusually close. Over the months that follow, Lucy's boss, Hunter, Olivia's psychoanalyst parents, and a young man named Sebastian are pulled into the friends' orbit, and not one of them will emerge unchanged. Expansive, playful, and compassionate, Edward St. Aubyn's Double Blind investigates themes of inheritance, determinism, freedom, consciousness, and the stories we tell about ourselves. It is as compelling about ecology, psychoanalysis, genetics, and neuroscience as it is about love, fear, and courage. Most of all, it is a perfect expression of the interconnections it sets out to examine, and a moving evocation of an imagined world that is deeply intelligent, often tender, curious, and very much alive.

Edward St. Aubyn is "great at dissecting an entire social world" (Michael Chabon, Los Angeles Times) Edward St. Aubyn's Patrick Melrose novels were some of the most celebrated works of fiction of the past decade. Ecstatic praise came from a wide range of admirers, from literary superstars such as Zadie Smith, Francine Prose, Jeffrey Eugenides, and Michael Chabon to pop-culture icons such as Anthony Bourdain and January Jones. Now St. Aubyn returns with a hilariously smart send-up of a certain major British literary award. The judges on the panel of the Elysian Prize for Literature must get through hundreds of submissions to find the best book of the year. Meanwhile, a host of writers are desperate for Elysian attention: the brilliant writer and serial heartbreaker Katherine Burns; the Jewelers debut novelist Sam Black; and Bunjee, convinced that his magnum opus, The Mulberry Elephant, will take the literary world by storm. Things go terribly wrong when Katherine's publisher accidentally submits a cookery book in place of her novel; one of the judges finds himself in the middle of a scandal; and Bunjee, aghast to learn his book isn't on the short list, seeks revenge. Lost for Words is a witty, fabulously entertaining satire that cuts to the quick of some of the deepest questions about the place of art in our celebrity-obsessed culture, and asks how we can ever hope to recognize real talent when everyone has an agenda.

Now a 5-Part Limited Event Series on Showtime, Starring Benedict Cumberbatch and Blythe Danner A New York Times Notable Book of the Year • One of TIME's Top 10 Fiction Books of the Year • Named One of the best books of the Year by The Telegraph and Esquire Here, from the writer described by The Guardian as "our purest living prose stylist" and whom Alan Hollinghurst has called "the most brilliant English novelist of his generation," is a work of glittering social comedy, profound emotional truth, and acute verbal wit. At Last is also the stunning culmination of one of the great fiction enterprises of the past two decades in the life of the English novel. As readers of Edward St. Aubyn's extraordinary earlier works—Never Mind, Bad News, Some Hope, and the Man Booker Prize finalist Mother's Milk—are well aware, for Patrick Melrose, "family" has always been a double-edged sword. At Last begins as friends, relatives, and foes trickle in to pay final respects to his mother, Eleanor. An American heiress, Eleanor married into the British aristocracy, giving up the grandeur of her upbringing for "good works" freely bestowed on everyone but her own son, who finds himself questioning whether his transition to a life without parents will indeed be the liberation he had so long imagined. The service ends, and family and friends gather for a final party. Amid the social niceties and social horrors, Patrick begins to sense the prospect of release from the extremes of his childhood, and at the end of the day, alone in his room, the promise some form of safety...at last.

Filmed for Sky Atlantic, starring Benedict Cumberbatch, The Patrick Melrose Novels is the complete collection of Edward St Aubyn's award-winning novels of childhood trauma and aristocratic decadence. This Picador Classics edition features an introduction by author Zadie Smith. Patrick slid back down in his chair and sprawled in front of the view. Armed with his biting wit and a newly fashioned openness, can Patrick, who has been to the furthest limits of experience and back again, find release from the savageries of his childhood?
