If you are insulted for the name of Christ, you are blessed, because the Spirit of glory and of God rests upon you. To whom does the Lord reveal secrets? The Bible says His deep truths-His secrets-are for those who revere and worship Him. Rare people who learn from their Teacher to redirect focus off self and onto God show a life of peace and inner joy-despite life's challenges. Hannah Whitall Smith, a Quaker woman from Pennsylvania, first penned "The Christian's Secret of a Happy Life" in 1870. In this classic work, she both defined a life of joyous fruitfulness, and the obstacles to that path. Her words reflect so many passages of Scripture that we have included those biblical references in the text of her book, and provided a Bible study workbook for her work. You might ask an older couple on their 50th anniversary about the secret of their lasting marriage. Hannah Whitall Smith calls us to ask her the secret of her happy life as a Christian. She reveals the secret so that we, too, need not be "unfruitful in the true knowledge or our Lord Jesus Christ" but may have "entrance into His eternal kingdom abundantly supplied" to us.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Daniel's Difficulties Resolved, Revelation's Secrets Revealed delves into specific details of the Biblical books of Daniel and Revelation. It is not intended as a comprehensive view of these two books, but a specific study of certain often misunderstood verses of these books. Roderick Yip seeks to clarify these verses by using a comparison and contrast method of Bible study, and bring the reader into a better understanding of the information presented. Ellen White repeatedly endorses the precept upon precept, line upon line approach to Bible study especially as it relates to doctrine. This book is divided into two sections, each dealing with a particular book. The first part of each section focuses on the principles of interpretation and the format in which the book was written. Then over the chapters, it discusses a particular chapter(s) and studies individual issues and misunderstandings. The author goes beyond a mere presentation of his interpretations, but cites other authors, including Uriah Smith in his book, The Prophecies of Daniel and The Revelation. Particular issues included in this book are the historical information that compliments the visions in Daniel, John's often misunderstood writing style and the unique format of both books which is helpful to understanding them.

Statistics show that over 80% of North Americans have experienced an encounter with an undeniably strong spiritual force. So why do we hear so little about these 'soul affairs' -- profound moments of love, dramatic insight, happiness, or rapture? Paul Hawker weaves religious experiences of mystics and saints with modern day accounts and shows that while these soul affairs are expressed differently by context of culture, custom, or language, we have all sensed something very similar.

What if the account of the fall of Ancient Babylon is prophetic? What if hidden within that account is a great secret that tells us when Mystery Babylon will fall? What if Daniel had secret ancient knowledge which reveals even more about the last week of years - the tribulation period? What if we found out what that secret was? The author, Henry A. Rhyne believes that is the case, and has received some of that secret ancient knowledge. Hidden within the account of the fall of Ancient Babylon is a secret key that tells us the year when Mystery Babylon will fall. Daniel had secret ancient knowledge that reveals the timing of the tribulation period and more. This secret ancient knowledge connects everything. Everything fits perfectly from Genesis 6:3 to the tribulation in Revelation. Everything ties together - all of God's great cycles of time are converging in one specific year, and it is soon. Very Soon. Inside this book the secret is revealed. The topic in this book is related to "The Harbinger", by Jonathan Cahn, "Blood Moons", by Mark Biltz, and the "Window Of The Lord's

Return", by John Shorey. The Shemitah and Jubilee are small cycles compared to all the gigantic cycles meeting in 2016.

Nearly two decades ago Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." *Christianity in Crisis: 21st Century* exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

The Christian Apocrypha burst into the public consciousness in 2003, following the publication of *The Da Vinci Code* by Dan Brown. Interest in the wide assortment of texts not included in the Bible has remained strong ever since. Although much has been written and said on the subject, misunderstandings still abound. Tony Burke's *Secret Scriptures Revealed* dismantles the many myths and misconceptions about the Christian Apocrypha and straightforwardly answers common questions like these: Where did the apocryphal texts come from and who wrote them? Why were they not included in the Bible? Is reading these texts harmful to personal faith? The book describes and explains numerous fascinating apocryphal stories, including many that are not well known. Instead of dismissing or smearing the Christian Apocrypha, Burke shows how these texts can help us better understand early Christian communities and the canonical Bible.
