Roland Merullo's brilliant new novel, "Vatican Waltz" does just this: through it's narrator, the beautifully-drawn Cynthia Piantedosi, and her deep and rich life of prayer, Merullo talks of religion as a force to connect people, not push them into d It is rare to find an examination of Christianity and personal relationships with God to dig down to the basic cores of being inclusive, and, beyond that, which examines how Christianity can be a tool to see the interconnectivity of all human beings.

Roland Merullo's playful, eloquent, and life-affirming novel finds the Pope and the Dalai Lama teaming up for an unsanctioned road trip through the Italian countryside to rediscover the everyday joys of life that can seem, even for the two holiest men in the world, unattainable. 5 out of 5 stars.
